

Archdeaconry Synod

What is the Archdeaconry Synod? Who attends and what happens?

The Archdeaconry Synod is the annual meeting of Licensed Chaplains and Lay Representatives. It is an opportunity for renewal, study, reflection, fellowship, worship and some formal business. It is also the opportunity to exchange ideas with others from around this large Archdeaconry, and hopefully to be inspired to be the Church God calls us to be.

Please find attached a Report to our 2023 Chaplaincy AGM which gives some more details of the Archdeaconry Synod and points to the Reports of the 2023 meeting.
